

## Reliable partner at airports

### **Klüh Airport Service is the competent partner for all aviation-related services**

As the strategic partner to airports, airlines and ground handling companies, the Klüh Aviation division ensures the safety and reliability of all operations between take-off and landing. Thanks to our decades of experience in cooperation with major airports and global airlines, Klüh Aviation Service is very familiar with its clients' needs and works proactively to develop tailored solutions. Services include aircraft cleaning, terminal cleaning, on-board supplies, ramp and hangar operations, maintenance services, security, technical and PRM services ('persons with reduced mobility') and much more.

Klüh Airport Service is owned by Klüh Service Management GmbH, an internationally-active, multi-service provider based in Düsseldorf, Germany. Founded in 1911, the company has many decades of experience in the area of infrastructure services. Our Cleaning, Catering, Clinic Service, Security, Personal Service, Airport Service and Integrated Services divisions offer both individual services and multi-service concepts.
