

State-of- the- art cleaning services

Klüh Cleaning is an innovative, quality supplier of cleaning services

With its excellent cleaning services, Klüh Cleaning contributes to preserving the value of residential and commercial properties. The company boasts many years of experience, local presence, rapid reaction times and high service quality.

The current portfolio includes such things as maintenance cleaning, glass and façade cleaning, industrial cleaning, thorough and special cleaning, clean room and vehicle cleaning and the maintenance of outdoor installations. Klüh Cleaning utilizes innovative processes for hygienic cleanliness as well as state-of-the-art cleaning machines and technologies, innovative cleaning chemistry and sustainable cleaning concepts that take measures that reduce CO₂ into account throughout the entire value chain. Klüh Cleaning works with integrated management systems in the areas of quality, environmental and energy management for the systematic and structured implementation of sustainable standards. These enable clients to obtain precise proof of sustainability throughout the entire cleaning process.

Klüh Cleaning is owned by Klüh Service Management GmbH, an international multi-service provider based in Düsseldorf, Germany. Founded in 1911, the company has many decades of experience in the area of infrastructure services. Our Cleaning, Catering, Clinic Service, Security, Personal Service, Airport Service and Integrated Services divisions offer both individual services and multi-service concepts.
