

Connected services for the care market

Klüh Clinic Service as a valuable partner of the healthcare industry

With Clinic Service, Klüh has been offering cleaning solutions for the healthcare industry since 1976. The service offer is specifically aimed at hospitals, clinics, rehabilitation centres and homes for the elderly. Cleaning and disinfection services are the core business. Other services include ward, washing-up, transport, pick-up and delivery services, hygienic bed preparation and sterilisation of medical products.

The high level of specialisation and qualification of Klüh employees ensures compliance with statutory requirements and the highest hygiene standards. All services are bundled and managed by a central point of contact. This saves costs and optimises the processes in the facilities. This frees up time for the nursing staff so that they can focus on their main tasks.

Klüh Clinic Service is owned by Klüh Service Management GmbH, an internationally-active, multi-service provider based in Düsseldorf., Germany. Founded in 1911, the company has many decades of experience in the area of infrastructure services. Our Cleaning, Catering, Clinic Service, Security, Personal Service, Airport Service and Integrated Services divisions offer both individual services and multi-service concepts.
