

Bundled services from a single source

Klüh Integrated Services offers infrastructure solutions for all aspects of real estate

As an innovative facility management service provider, Klüh is constantly developing new ideas and solutions that are tailored to the needs of clients and help ensure the smooth running of facility management operations. Klüh Integrated Services offers bundled infrastructure services, for example, but the service portfolio also includes the logistical, commercial and management services associated with facility management.

Bundling individual services achieves synergy effects conserves resources. It also reduces the number of interfaces and creates an efficient overhead structure. There is only one contact person, one contract and a single invoice for all services. Many well-known industrial and retail companies put their trust in the high service quality and expertise of Klüh Integrated Services.

Klüh Integrated Service is owned by Klüh Service Management GmbH, an internationally-active, multi-service provider based in Düsseldorf, Germany. Founded in 1911, the company has many decades of experience in the area of infrastructure services. Our Cleaning, Catering, Clinic Service, Security, Personal Service, Airport Service and Integrated Services divisions offer both individual services and multi-service concepts.
