

Client-oriented security services in all sensitive areas

Klüh Security as a security partner with innovative solutions

Klüh Security has a strong reputation as a partner to companies which are highly relevant in terms of security. It therefore makes a substantial contribution to security in Germany. The company works reliably and with commitment to develop customised solutions that will meet future needs as well.

As a member of the Bundesverband der Sicherheitswirtschaft e. V. (Federal Association of the Security Industry), Klüh Security is among the quality providers of security services in Germany and is certified to DIN 77200. Of the more than 400 security companies in Germany, Klüh Security is regularly ranked in the top ten of the sector in the highly regarded Lünendonk® ranking. Klüh Security's client base includes numerous companies, institutions and organisations considered to be critical infrastructures (CRITIS). In addition, the company provides qualified security personnel at a variety of conventionally guarded military facilities. The high demands that Klüh Security places on its employees meet the highest security standards required for this sector.

Klüh Security is owned by Klüh Service Management GmbH, an international multi-service provider based in Düsseldorf, Germany. Founded in 1911, the company has many decades of experience in the area of infrastructure services. Our Cleaning, Catering, Clinic Service, Security, Personal Service, Airport Service and Integrated Services divisions offer both individual services and multi-service concepts.
