

PRESS RELEASE

New order for Klüh Cleaning

Düsseldorf, 16 February 2017. – The Casino Royal Group is one of Germany's leading operators of slot machine casinos. The company is represented at 130 locations, 90 of which are in North Rhine-Westphalia alone. Since 1 February 2017, Klüh Cleaning has taken over the cleaning work, thus providing a clean and pleasant atmosphere in the casinos.

Around 140 Klüh employees throughout Germany are responsible for the glass and maintenance cleaning for the next two years, as well as the cleaning of the green and paved areas. The supply of consumables is also one of the Klüh team's core activities.

With Casino Royal, another company with a wide network of locations has put its trust in the expertise of Klüh Cleaning. The Düsseldorf-based service provider supports a large number of chains from various sectors and is well-acquainted with the specific requirements of decentralised structures.

About Casino Royal:

With an equipment pool of approx. 3,500 state-of-the-art slot machines and their range of gaming machines, the Casino Royal Group with its headquarters in Duisburg and more than 1,000 employees, is one of the largest amusement arcade operators in Germany.

About Klüh:

Klüh Service Management GmbH is a global multi-service provider. Founded in 1911, the company has decades of experience in the area of infrastructural services and offers service packages with a high level of vertical integration. Alongside cleaning, its fields of activity cover hospital services, catering, building management, security and personnel services and airport services. With 46,797 employees across eight nations, the company achieves sales of over 685 million Euros (2015).
