Klüh Catering: “energy provider” for the municipal works in Düsseldorf

Düsseldorf, 14. March 2017 – Düsseldorf’s municipal works now rely on Klüh Catering to cater for their staff. The right “energy provision” of the approximately 2,000 employees of the core companies of the municipal works at five locations in the state capital is provided by a balanced food concept which also includes vegetarian products. Right from the start, with the campaign “I LOVE GREEN”, delicious vegetarian dishes with fresh regional products were on the table.

Apart from the main meals, the staff are supplied with healthy snacks and freshly made coffee. Klüh Catering also supports the conference and management services of the municipal works in Düsseldorf by purchasing and delivering fresh products.

Ingo Stepken, Branch Manager of Klüh Catering Düsseldorf, is delighted by the new order: “The order has kicked off extremely well. The positive feedback from our customer is the highest motivation to give our best every day with passion and energy so as to inspire our guests in the long term with our creative and fresh cuisine.”

About Klüh:

Klüh Service Management GmbH is a global multi-service provider. Founded in 1911, the company has decades of experience in the area of infrastructural services and offers service packages with a high level of vertical integration.
