Klüh celebrates the fairground fireworks with 750 guests on the “MS Rheinfantasie”

Düsseldorf, 22 July 2017 – the spectacular climax to the “Biggest Fair on the Rhine” was the aerial firework display last Friday evening. Around 750 guests experienced the special event on board the “MS Rheinfantasie”, which the entrepreneur Josef Klüh and his management chartered again this year for the Klüh on-board party. In mild summer weather, business partners and employees from all over the world celebrated exuberantly on the main deck with dinner, live music and a DJ. After the dinner, the guests of the Düsseldorf-based family business experienced a top-class firework spectacle from the 85-meter long cruiser, as promised by the head pyrotechnician Martin Schmitz, who orchestrated the fireworks.

“With our on-board party, we would like to thank our customers and employees for their trusting cooperation and are delighted that the event is always so popular.”, said Frank Theobald, Chairman of the Management Board.

The company owner Josef Klüh and the Holding Managing Directors Frank Theobald (Speaker), Christian Frank and Reiner Worbs also took the opportunity to exchange ideas with business partners of the international Klüh companies. The longest journeys were had by the management of Klüh China from Beijing and Wuhan. Other customers and employees flew from Amsterdam, Dubai and Moscow, among other places. At around 25 % of total sales, the international companies of the Klüh Group remain an important pillar in the positive development of the company.

About Klüh:

Klüh Service Management GmbH is a global multi-service provider. Founded in 1911, the company has decades of experience in the area of infrastructural services and offers service packages with a high level of vertical integration. Alongside cleaning, its fields of activity cover hospital services, catering, building management, security and personnel services and airport services. With 49,000 employees across eight nations, the company achieves sales of around 770 million Euros (2016).
