### Culinary highlight at the furniture shop in Hilden

### Möbel Hardeck commissions Klüh with the catering

Düsseldorf, 19 October 2017 – In October 2017, the family-run chain Möbel Hardeck celebrates the reopening of its branch in Hilden. The order for the design and operation of the restaurant "Hardecks Ladenlokal" goes to the catering division of the Düsseldorf-based family business Klüh Service Management.

The new restaurant is not only for employees of the furniture shop, but also for visitors. On a total area of around 1,000 square metres, Klüh Catering serves 700 to 1,000 guests per day.

Based on a tailor-made full-service concept, the guests are waited on personally by the Klüh employees. The company history of the tradition-conscious furniture shop is also reflected in the gastronomic implementation: Local specialties such as the "Donninghaus sausage" or "Hardeck lemonade" are on the diverse menu. The individual food-concept from Klüh Catering is intended to round off a visit to the furniture shop in the form of a culinary highlight.

"We offer contemporary and future-oriented cuisine with seasonal touches to give Möbel Hardeck an individual and authentic look", says Klüh Catering's Managing Director Thorsten Greth. "The use of regional products is very important for our customers as well as for us as catering service providers."
