“Holiday at last! The cruise ports of this world”

Klüh Catering and TUI Cruises together bring holiday delights to the company restaurants

Düsseldorf, 24 April 2018 – The taste of holiday! Together with TUI Cruises GmbH and sea chefs Holding AG, Klüh Catering served dishes from the world of seafaring tourism in 120 company restaurants nationwide in an event week. Under the motto “Holiday at last! Cruise ports of the world”, the Klüh teams presented the guests with five holiday menus – including a “My Ship” cocktail.

What is served in the big cruise ports of this world? Together with the sea chefs Klüh Catering developed typical, delicious dishes for the joint event: from New York Buffalo chicken wings with coleslaw and steakhouse fries, the Caribbean Pepperpot stew “Barbados” with sweet potato puree, from Spain of course the classic paella with seafood, Yassa chicken with lemon sauce and bulgur mint salad as is popular in Dubai, and from Singapore, the Singapore Noodles with smoked tofu.

The cherry on top: all the guests had the chance to take part in a draw: TUI Cruises and Klüh Catering are checking in two winners for a seven-day cruise on the Canary Islands and Madeira route.

“The event was a complete success, the port dishes of the My Ship fleet were well received throughout Germany and we received consistently positive feedback. Almost 1800 guests took part in our big prize draw. We achieved our aim of giving our guests a holiday feeling”, summed up Klüh Catering’s Product Manager André Jenczewski, a trained chef and hotel business administrator.
