

## PRESS RELEASE

**WELT award for “top innovative strength”**

### **Klüh Catering: innovative and sustainable - further quality seal for the Düsseldorf-based family business**

Düsseldorf, 17.04.2019 - Klüh Catering, one of Germany’s biggest service providers in this segment with sales of around 140 million Euros, is among the companies that are characterised by both innovative strength and sustainability. The outstanding role of the family business is also confirmed by independent studies, currently a major WELT survey on the innovative strength of companies.

For the WELT study, over 300,000 executive staff were interviewed on the innovative strength of German companies, and evaluable data was established for a total of 2,867 companies. The result of this study is the top ranking “Company No. 1 – highest innovative strength” for Klüh Catering.

Klüh Catering’s Managing Director Thorsten Greth: “Innovations are of vital significance for the economic success of tomorrow and are part of our corporate culture. We are delighted by the WELT award, which certifies that we are our sector’s No. 1 in this field.”

Klüh Catering also topped a recent sustainability study by the magazine Focus: the study analysed nearly 500,000 consumer verdicts for a large number of sectors and listed Klüh Catering among the country’s Top 5 Contract Caterers.

In 2018, Klüh Catering was already awarded the German Customer Award in 3 categories.
