Klüh Catering secures ESWE Versorgungs AG as a new customer

Düsseldorf, 23.05.2023 – Starting immediately, the catering division of the multi-service provider Klüh is taking over the staff catering for ESWE Versorgungs AG (ESWE). In the course of a new tendering process, Klüh Catering was awarded the contract for its tailor-made concept, convincing reference visit and suitable price-performance ratio.

“The catering for our staff is an important part of our offer as an employer. We are therefore delighted to announce our partnership with Klüh Catering, which provides high-quality catering tailored specifically to our requirements”, says Ralf Schodlok, Chief Executive of ESWE Versorgungs AG.

The contract covers breakfast, lunch and snacks as well as catering for conferences and special events. Klüh Catering offers ESWE employees a wide range of meals with a high-quality menu, including vegetarian and vegan options, most of which are prepared using the front-cooking method.

To shorten the queuing time for the diners, the use of “seeing cash registers” is planned. The AI-supported solution detects all the food and drinks on the guests’ trays and automatically adds them up for the payment process.

ESWE is an experienced energy service provider from Wiesbaden which has been in business for more than 90 years. As a municipal company, it reliably guarantees the supply of electricity, natural gas and district heating in the Hessian state capital. ESWE Versorgung has long carried a nationwide reputation as a top-notch energy supplier.
