Award

Klüh awarded Top Company seal by kununu once again

Düsseldorf, 19.11.2024 – Düsseldorf-based family company Klüh has been named as a Top Company by employer rating platform kununu for the third time in a row. The award is based on independent reviews by employees on the platform, and is given to just 5% of the companies on kununu each year. It puts Klüh among the companies who offer the best working environment in Germany.

Klüh's employees expressed their satisfaction with an impressive 84% recommendation rate and a total score of 4.3 out of 5. This rating is significantly higher than the average for Germany and the average of most of our competitors, underscoring the company's ongoing commitment to creating a positive working environment.

The positive reviews in the categories 'career and salary', 'corporate culture', 'working environment' and 'diversity' are particularly striking. Employee events, the option of flexible working, working equipment and advanced training measures were named as highlights that add value.

"We feel very honoured to receive this award. It is a sign that our constant efforts to create a working environment in which every employee feels valued and can develop their skills in the best possible way are bearing fruit," says **Viktoria Kaiser**, Head of HR at Klüh Service Management GmbH. "We would like to thank all employees who take the time to support us with their feedback and ratings. Their suggestions are essential to the continuous development of our company."

Klüh's employer branding campaign this year also underscores the company's attractiveness as an employer. With its claim "I wouldn't work for just anybody" and the hashtag #confidence, it focuses on the valuable work of dedicated staff and demonstrates how integral true diversity, individuality and team spirit are to Klüh's success. Furthermore, the new employer branding highlights the support that Klüh gives its staff.

Further information on Klüh's rating and details on the methods and criteria behind the kununu Top Company seal are available on the kununu website.
